Sir, I am to inform you that, the Indian Navy - helicopter while patrolling noticed two intruders non-Jarawa along with four Jarawa heading towards Constance Bay aboarded in an engine dinghi. The above mentioned incident was hence reported to the Police headquarters P/Blair. They further passed on the information to the Incharge out Post, Tirur and thereafter I received the message at about 4.45 Pm. It is decided to send a search team to the area. Self asked E/dinghi from our engine dinghi tenderer (AAJYS). However he unable to provide the dinghi as he mentioned that it is under repair. So we managed to hire a private dinghi and send the team for search, which is headed by the Incharge out Post, Tirur and Police personal accompanied with an AAJYS staff (Sri. Nabadheep, J/Sevak) to the area near Constance Bay at about 5.45 Pm.

After 15 mint. of run in the nallah, an engine dinghi was found to be returning towards H/Road onboarded two persons. The Yc O.P. asked the person to stop the engine dinghi, and on enquiring it was found that the boat had some 10-15 kgs of crabs. E/dinghi was then seized and kept under police custody and both the persons. namely - Sudesh Biswas s/o Prasuram Biswas and Dinkar Maji s/o Shahadev Maji both R/o H/Road, were escorted
