A complaint was made by the Tribal Welfare Officer Tisur in Police Station Ogeraj S/Audman. It was reported over phone that three persons were arrested in this case including the dingi-man. They are still in judicial custody. One person named Kamal Roy was apprehended by police in the same type of cases, three times previously as reported by T.W.O. S.K. Dass). We are in direct touch with our T.W.O. and assured full support in this matter. If approved the matter may be brought in the <sup>notice</sup> Higher Police authorities to handle the case properly so that the culprits may not take bail seeing their previous crime.
