

Due to this unpleasant incident the escort vehicle which was supposed to reach Jirkatang at about 1100 hrs, arrived at 1215 hrs after a delay of about 90 mins. Further, it is to inform that due to non availability of any AAJVS vehicles for the last one week this incident has taken place and it cannot be ruled out that such incident would not be repeated in future unless a vehicle is provided by AAJVS.

Lastly, advice us whether a criminal case should be registered against the aforesaid Jarawas for their criminal act under proper provision of law or not.
