Reports have been received that few Jarawas came out of forest to Kadamtala village demanding various articles. The Director (TW) and Prof Vishwajit Pandya, expert member, has conducted an enquiry and submitted report which states that the incident was pre-planned by local poachers of the area. From the report lodged with the Station House Officer, Police Station Kadamtala, it is evident that poaching has been going on in the area since long.

The Andaman Adim Janjati Vikas Samiti has posted Shri.
