May kindly see the observations of Secretary (TW) at para 8/ante.

As directed Dr. Bisweswar Das, Tribal Welfare Officer has preferred his reply, within the stipulated time after inquiring with the Jarawas and the villages, placed at page 15 /please.

The gist of his report is reproduced as under:-

" Based on the information given by the Jarawas vis-à-vis the settlers, it is felt that the complaint may be baseless and arose only due to long standing personal problems and issues between the existing tenderer Shri. Mahadev Biswas and the previous year's tenderer Shri. Rakesh Saha. The ploy seems to be any how cancel the existing tender. There are many personal and social issues apart from the issue of dinghy between both the parties. The matter was also discussed with In-Charge, Police Out Post, Tirur, who has a similar view that the complaint may be baseless and arose purely on the friction between the two".
