No.TOUR NOTE OF EXECUTIVE SECRETARY, AAJVS TO
TIRUR ON 23/1/2014

Self visited Collinpur Office of AAJVS and contacted with the Tribal Welfare Officer and the Janjati Sevak posted there. The main aim of visit is to know latest position of the incident dated 17/01/2014 and to boost the moral of the staff posted there because it was noticed that there was some manhandling with newly posted Janjati Sevak at Tirur. The Tribal Welfare Officer and Janjati Sevak told that, it was a minor incident and the matter was resolved then and there.

It was informed that the process of investigation and recording of statement regarding the incident of 17/1/2014 have been completed at Tirur but a statement of Shri. Debrata Mondal, Janjati Sevak Kadamtala is still pending which will be completed today itself. It was intimated that overall situation in the area is calm but there is some tension in the Collinpur area. So Tribal Welfare Officer requested deputing some police personnel for the security of the AAJVS staff.

During the discussion with Janjati Sevak, it was stressed to give some time to the Jarawas in the hotspot. If we spend some time with them, they will be familiarizing with us and will divulge the truth in their heart. It was intimated to the Janjati Sevak that they are going to be provided with a thermometer, weighing machine and blood pressure measuring machine. Janjati Sevak will record the measurement every month in respect of each Jarawa which will be verified by the Pharmacist and if there is any problem, the concern Jarawa will be administered with necessary medication accordingly. This way we will be more close to the Jarawas.

Self tried to contact the Shri. Mohan Halder, Pradhan, Tusnabad Gram Panchayat who was in some meeting at that time. It is pertinent to mention here that yesterday on 22/1/2014, self attended the District Planning Committee meeting to discuss the plan scheme and programs of Tribal Welfare department. PRI members raised many issues about Jarawas. Proper replies to each and every observations made by the members were given. The Up-Adhakshya, Zilla Parishad Shri. Anand Amritraj appreciated the operation conducted against the poachers on 17/1/2014 by AAJVS
