- c) The proposal for allotment of land for ANTRI, which was under consideration of the Administration, should be pursued further.

8. Kangapo Project.

Secretary (TW)/Convener (RAB) observed that the GoI had already been kept in picture and the Executive Council of AAJVS in its meeting had asked the TW Department/AAJVS to proceed as per the recommendation made in the report. He requested the AAJVS to comply with the same.

9. General Body Meeting of AAJVS

The Board requested that convenience of Hon'ble LG be sought for convening the General Body meeting of AAJVS in Feb-March, 2014

10. Visit to Dugong Creek

It was recommended that Prof. Pandya and Research Associates could visit Dugong Creek in March, 2014 to assess the field situation.

11. Special dispensation

The PTGs could be considered for special dispensation in Govt. jobs subject to the condition that they would be posted to their respective settlement / area as far as viable.

(Action by Dte.of TW)

12. 16 Km Shompen Station

It was decided to build a permanent structure at 16 Km East-West road and make it functional on priority.

(Action by ES, AAJVS)

13. Shompen Policy

The detailed research on Shompen already taken-up should be continued and completed in the fair season i.e February-April, 2014. In the meanwhile Shri Manish Chandi, Member of RAB who is associated with the field research / survey will submit the interim report.

(Action by Research Team)
