

25/1
Sir,

I am to inform you and this may be treated as my FIR please. On 16th January 2014 self with my AATVS Staffs namely Bhaskar Rao, Debrata Mondal, One Police Constable from OP Tiwari namely Ramashish Yadav PC 204 and one Home Guard from OP Tiwari namely Mahesh Tixey HGI 725, Forester namely K. Chakraborty and Mazdoor, Sanjay Narayan both are attached to Range Office Tushnabad, Conducted Surveillance in the Jarawa Reserve (West Coast, South Andaman). We left the office of Tribal Welfare Officer, AATVS Collingpur at around 1700 Hrs. We reached Thakona around 1745 Hrs and Contacted the Jarawas who were Camped there. The Jarawas particularly Anjale, Arinjama, Elangato and Titaithey informed that two days ago (14-01-2014) a poacher namely Narayan Roy alias 'Sujoy' and his group came to Thakona (Jarawa Reserve) took the Jarawa girls in their dinghy namely Baliyawey, Thaiyane, Arinja and Loleya and went Hiren Tikry and yet not returned from there.

On receipt of the above shocking information from the Jarawas we reached Hiren Tikry (Jarawa Reserve). We searched in the whole night the wanted person Sujoy and his group in and around the creek. Due to dark we failed to locate them. On next day morning (Today 17th Jan 2014) at around 0700 Hrs we reached a spot in the narrow Creek and found Sujoy and his men in an engine dinghy. Their names are—

1. Narayan Roy alias 'Sujoy' S/o Khokhan Roy R/o Herbartabad / Wandoor / Diglipur (or say he has no certain permanent place)
2. V. Kumar Raja alias 'Bablu' S/o PVGI Kumar R/o Herbartabad.
3. Sambu Bepari S/o Late Rajan Bepari R/o Herbartabad

We found that they sent the Jarawa girls namely Baliyawey, Thaiyane, Arinja and Loleya for Crab hunting
