Sub: Request for strengthening the village Volunteers Force – reg.

Sir,

With highest sentiment of respect I am to inform that recently your esteemed department has introduced Village Voluntary Force at the Jarawa affected areas in my constituency. The aboriginal tribes (Jarawa) are regularly entering in the adjacent villages (Tirur, Temple Myo, Herpatabad, Manpur village) and demanding eatable items door to door in forceful ways especially in night hours recently the Jarawas broken the doors of the houses causing a panic/terrible situation amongst the local habitants.

There is acute shortage of AAJVS staffs because of which they are suffering to protect the villagers from Jarawa attack.

Thus, in this matter your department has appointed four village Volunteers for the betternance and safety of the villagers but if you would increase the no. of village volunteers it will be more convenient for the above mentioned villagers as well as for the volunteers to tackle with the Jarawas.

Thanking you

Yours faithfully
