On inquiry from the Jarawa, they reported that this activity is going since few months. It is also revealed from the Jarawas that the people are going to the jungle in search of hidden treasures left over during the colonial rule during the course of interaction with the Jarawas.

In conclusion, I am to add that I am looking after the duties of Tribal Welfare Officer of Kadamtala and Jirkatang to Middle Strait which ranges from Jirkatang to Lewis Inlet bay about 150 kilometres in stretch. I had been given 07 seven staff for the entire area which is just 30% of the actual requirement. I require two staff permanently at Jarawa ward Kadamtala. In between, I had constructed hotspots at Phooltala and Potatang, work at Lakra Lungta is under way. With the limited resources available with me I have worked only towards the welfare of the Jarawas and shall continue to do so in future also. The incidence that took place in Kadamtala is only to due to political interference with vested motives and there is no negligence on my part or my subordinates part"

The reply furnished by Shri. Anup Kumar Mondal seems to be genuine and satisfactory and are based on facts and records.
