OFFICE OF THE TRIBAL WELFARE OFFICER**ANDAMAN ADIM JANJATI VIKAS SAMITI****TIRUR**Dated the 21st Dec.2014

To

The Executive Secretary

AAJVS, Port Blair

Sub: Kangapo Project- reg.

Sir,

Kindly recall the discussion had with the Secretary (TW) on 19th Dec. 2014 regarding the Kangapo Project. As I stated, that the Jarawa women attached to Tirur are not showing interest in making baskets because of the illegal barter system with the settlers. When we discussed about this with Secretary (TW), he has directed me to submit the items which are being supplied from the Jarawa women to settlers. The items are listed as under:

- a. Crabs
- b. Honey (during the season)
- c. Fishes namely Shinki and Magoor during the summer season.

Submitted for further discussion please.

Thanking you

Yours Faithfully
