up of a new check post at the mouth
of the Nallah. Quick Response Teams of
Police, Forest & AATVS are also proposed to
be constituted.
In addition, certain community
building measures to empower
Tarawas in recognizing monetary
value of goods ^{and} to prevent inequitable
barter of goods with settlers are necessary.
Further, modalities for supply of
goods that the Tarawas now appear
to need/desire may have to be
deliberated upon in the hotspots
with the Tarawas for which
assistance may be taken of
experts. We also need to discuss
with Tarawas as to how to prevent
incidents of snatching of goods
from tourists etc. outside reserve area.
Such deliberations are urgent
to nip in the bud such incidents.
(Field assessment report of Dir(TW) & Prof Pandya
may be seen at F/Y)
The above course of action
is submitted for kind approval,
please.
