He stated that he has got plantation at Jirkatang No.6. Last year he has got only 43 sacks of areca nuts and this year only 12. To bring the fruits from his plantation he seeks the help of police who accompanies him. Earlier when there was sufficient staff in Jirkatang the police accompany them whole day. But now there is shortage of staff as such In-charge sometimes does provide the staff to bring the fruits but could not let the staff to be free for whole day as plucking of areca nuts from plantation takes whole day.
