At the outset of the meeting undersigned expressed the heartiest gratitude to all the members for making their presence available in the meeting. Jarawas though expressed that they could understand Hindi language but to avoid any confusion, interpretation from AAJVS were sought to fulfil the communication gap as well as made the Jarawas to understand the proceeding.

It was made clear that the objective of the meeting is to create awareness among the Jarawas tribe. In this regard undersigned has conveyed Jarawas that they should refrain from coming to the Civilian area and mingling with Civilians. The consequence of their interaction may lead to exploitation of the Jarawa Tribe on the hand of some pervert civilians. Further Jarawas were told to convey the information with regard to intrusion of civilian, fishermen in the reserved area either to AAJVS staff or Police whichever is approachable first. Moreover, Jarawas
