

On scrutiny of pending cases pertaining to crime against Jarawas, it is noticed that the cases are undergoing trial for years. Though the case is registered promptly and chargesheet is being filed within stipulated time but accused gets bail on one or other day. It sends a wrong message to the society that nothing happens in the Jarawa case too. In order to send a stern message to the society these cases are to be dealt in fast-track court. For this purpose the concerned officer must submit the details of cases to the Public Prosecutor who will file a petition in the Hon'ble court for fixing the dates on these cases on daily bases.
