A meeting of the District Level operation Committee was held on 15th February 2018 in the chamber of Superintendent of Police (D) South Andaman. 12 officers participated in the meeting. Minutes of the meeting has been issued.

The issues pertaining to AAJVS are reproduced hereunder:-

- Stationing of one more FRP at wandoor from where the patrolling can be undertaken till the construction of temporary / floating jetty at Tirur No: 4
- AAJVS shall place notice boards containing Do's and Don'ts at the prominent places in Jarawa reserve area
- AAJVS staff needs proper sensitizing to inform incidents to local police about and incident of snatching items from tourists.
- Executive Secretary AAJVS shall arrange to provide camera to the joint patrol team of Police, Forest and AAJVS to for effective patrolling and collecting evidence in case of any apprehension / detection of illegal activity.

A decision on procurement of one more FRP for stationing at Wandoor needs to be taken at appropriate level please.

AAJVS has erected notice boards at prominent places to display do's and don't for information of the commuters, tourists etc passing through the Andaman Trunk Road. The status of the boards needs to be placed on file for taking further action. We may direct the Tribal Welfare Officer Jirkatang for necessary information.

A high definition camera may be procured and handed to Tribal Welfare Officer Tirur for collection of evidence during the joint patrolling activities. We may procure one camera immediately.

As far as sensitization issues are concern, the Tribal Welfare Officer has intimated the issue to the I/C OP Jirkatang. She may be directed not to delay in passing the information to local police.
