Sub :- Permission to rescue the sanked/drowned boat - Reg.

Sir,
It is bring to your kind notice that I am a registered fishing boat owner (Fiber) bearing its Survey No.:- IND-AN-SA-41, Name:- MRV- MADHABI, running from Wandoor area for fishing in deep sea.

That on 15th August 2018, the above mentioned boat went for fishing, but unfortunately the vessel could not returned back within the time limit, because of damaging its engine while in fishing. So, soon after we intimated to Fisheries department. Resulting your police boat with police personnel moved there to rescue these fishermen and brought them on 23/08/2018; when the above cited boat was anchored there.

That on 24/08/2018, some other fishing boat reached there where the said boat was anchored, but due to storm and rough weather the boat sanked and not found. So, now I want to search and rescue that one by using some technical methods, but to execute the same, your prior approval and permission is highly essential.

Therefore, kindly intervene into the matter and I am kindly be permitted to rescue the drowned boat by my own expenditure and risk.

Your co-operation to redress the problem is highly expected please.

Thanking you,

Yours faithfully
