IV. COTTON(PLAIN) FOR BLAUSE :-

(32) Of the three firms the rate that is Rs. 19.10 of M/S U.P. General Store is the lowest, but the Cloth which the firm has offered to supply is not manufactured by any reputed mills and it seems to be of inferior quality and the rate quoted by M/S Trisul Enterprise is the second lowest, but their cloth too is of inferior quality while the cloth of M/S Ashok Cloth House is manufactured by reputed mills that is Mafat lall mills. It seems to be of superior quality. Therefore we may go in for purchase of cloths from M/S Ashok Cloth House though their rate is higher than other two firms.

(33) As regards readymade garments, it is stated that the readymade T Shirt & Baba suits quoted by M/S Ashok Cloth House are very costly while those of M/S U.P. General Store & Trisul Enterprises are cheaper, but those seems to be of inferior quality. So we may not purchase readymade T Shirt and Suits for the Children. Instead, we may procure cloths for the Children too. The dress ^{for} the children can be stitched by tailor.
