Cloth meant for Pants, Shirts and Skirts/Blouses is certainly far superior as the same is of 'Binny', Arvind Mills and Mafatlal Mills; all the three textile mills are of national-level reputation, whereas the quality of the cloth of the other two dealers is very low and of local mfgs.

I therefore propose that we go in for good quality cloth only i.e. of only Ashok Cloth House.

May kindly like to approve subject to concurrence of A.O. (Finance.)
