

Kindly refer Para note 77 to 90/2.
An amount of Rs: 42728/- and Rs: 19300/- for cloths and stitching charges respectively has been sanctioned for purchase of free cloths for Onger (S/Bay & D/creek) and Great Andamanese.

The rate quoted verbally earlier by C.C.S. Ltd against the quality cloths are not sufficient to provide to this Samiti ^{way not suitable} except for s.no - 2 & 5 as per our requirement and also the qualities are very poor. At present some better cloths are available with them which are sufficiently ^{good} to fulfil the Samiti's requirement.

The sample pieces of the cloths are also added as per flag "A"

The items and its old/current rate are mentioned in annexure - I as per flag "B".

Accordingly it is worked out and found that an amount of Rs: 11026-80/- is required more for purchase of the above cloths and supplied to the tribals.

Hence an additional sanction of Rs: 11030.00/- in respect of the competent authority is to be obtained for the purchase of above cloths ^{in order to provide good quality clothes.} Submitted for approval please.

Secretary is competent.
