A quotation notice was published in "The Daily telegrams " of its issue of 19th May, 1995 At page 3/C inviting sealed quotations for supply of good quality of Cotton dress material to be issued to the ONGES and the Andamanees during the current financial "1995-96 ".

(25) In response to the quotation notice, in all we have received five quotations from the different local cloths dealers. A Comparative statement of the quotations has been prepared and the same is placed opposite for persual, please.

(26) Of the five Firms, M/S Singh Coconut Industries and M/S Neelam textiles have not given samples of the cloths with their quotations. More-over singh Coconut Industries does not deal in cloths. So the quotations of both M/S Singh Coconut Industries and M/S Neelam textiles may be sammarily rejected.

27 The rates for each item of the cloths quoted by the remainig three firms are discussed as under.

(1) COTTON(PLAIN) FOR PANTS:-

(28) Of the three firms, the rate i.e. Rs. 37.50/- of M/S U.P. General Stores is the lowest, but the cloth which the firm has offered to supply is not manufactured by any reputed mills and it seems to be of inferior quality and the cloth which M/S Trisul Enterprise has offered to supply at Rs. 46.50 per metre too is not manufactured by any reputed mill, and appears to be of inferior quality while the cloth which M/S Ashok Cloth House has offered to supply at Rs. 49.60 per metre is manufactured by Binny mills and it appears to be of superior quality.
