So we may go in for purchase of cotton cloth for pant at Rs. 49.60/- per metre. Quoted by M/S Ashok cloth House though it is higher than the rates of other two firms.

II. COTTON PRINTED FOR SHIRTS:-

(30)

Of the three firms, the rate that is 27.50/- per metre quoted by M/S U.P. General Stores is the lowest, but the cloth is not manufactured by any reputed mills and it seems to be of inferior quality. Similarly the cloth of M/S Trisul Enterprises is not manufactured by any reputed mills and it seems to be of inferior quality, while the cloth of M/S Ashok Cloth House is manufactured by the mills of Arvind group and it seems to be of superior quality. Therefore we may purchase cotton (Printed) cloth for Shirt from M/S Ashok Cloth House though their rate is higher than ^{other} two firms.

III. COTTON (PRINTED) FOR SKIRTS:-

per metre

(31)

Of the three firms, the rate, that is, Rs. 30.50/- ^{per metre} quoted by M/S Trisul Enterprise is the lowest, but their cloth is not manufactured by any reputed mills and it seems to be inferior quality and the rate, that is, Rs. 34.10 quoted by M/S U.P. General Store is the second lowest, but their cloth too is not manufactured by any reputed mills and it seems to be of inferior quality while the cloth of M/S Ashok Cloth House is manufactured by reputed mills of Arvind group and it seems to be superior quality. ^{Therefore we} may purchase the cloth from M/S Ashok Cloth House though their rate is higher than other two firms.
