

PUC are credit bills at page 80 preferred by the Social Worker, Onge Settlement, South bay for the distribution of ration for the month of 4/2002.

93

On scrutiny of the bills it was seen that the signature of the ~~signature~~ Gropu D employee of AAJS and Electricity department posted at South bay is not obtained in the bills/distribution chart and they are also members of the ration distribution committee.

94

It is therefore proposed that we may return the bills for necessary explanations.
