The bills duly certified by the Social Worker, Onge Settlement, South Bay verified and found correct are placed for the counter signature of the Executive Secretary. Necessary entries are posted at page 32-3 of the stock register to avoid double payment. The distance between Hut Bay to South Bay is 19 KM and on an average it requires 60 litres per month. Since the road from Hut Bay to South Bay is in a bad shape, the required mileage is not achieved by the motor cycle. The vehicle has to run on sand, stems of big trees for nearly 16 KM. These bills were received back well in time by the Office but was misplaced by mistake in the bundle of papers for filing. Therefore, it is requested that the claim may be approved for payment please. We have deposited an amount of Rs.870/- as advance with ANIIDCO for drawl of POL at Hut Bay but since the motor cycle is under repair, the same is not drawn.

Necessary funds are available under Scheme No: II, An expenditure sanction amount for Rs.8054/- (Rupees eight thousand and fifty four only) may kindly be accorded for payment please.
