PUC at page 201/C, is a signal from the Tehsildar, Little Andaman. This signal is in response to this Office signal no: 454 dated 15.07.2003, placed at page 200/C, requesting to inform whether any resolution was passed by OMPCS Ltd. for opening a branch at South Bay.

256
The Tehsildar, has informed that a resolution has already been passed by OMPCS Ltd. on 09.04.2002 for opening of a branch of OMPCS Ltd. at South Bay and the eligible Onges has been enrolled as members of the Society on 20.09.2002.

257
It is highlighted here that OMPCS Ltd. is a body having separate legal entity and perpetual succession and is not controlled by AAJVS. It has its own bye-law, Office Bearers, audit and financial control. Opening of its branch at South Bay will be fruitful as its benefits are for the Onges since Onges are the only shareholders.
