This is a signal sent by the Tehsildar, Little Andaman, stating that AAJVS owes Rs.2,36,054/ to OMPCS Ltd, on account of payment of bills for supply of ration articles.

The matter was discussed with the Director (TW) and the Executive Secretary, AAJVS on 4.11.2003.

At present there is no bill pending for payment to OMPCS Ltd. The bill for supply of ration for the month of 09/2003 has been passed and the cheque for Rs.39,613/- prepared, but the same has not been signed. Apart from the above no bills are pending for payment.

Four bills pertaining to supply of free ration to Onges of South bay for the months of 4/2003 to 7/2003 were returned to the Social Worker, South Bay, but since he is not in station, the same is pending for action. As soon as the same is received, payments will be released.

It is therefore proposed that we may direct the Plantation-in-charge to give details of bills pending from 2/2002 to 9/2003 amounting to Rs.2,36,054/-
