Port Blair, dated the December, 2002

To

The Secretary,

Strait Island.

Sub:- Supply of Ration and supplementary food- reg.

Sir,

With reference to your letter no: G.A/SI/GIL/AAJVS-2002/5 dated 18.11.2002 enclosed with credit bills bearing numbers 912, 913 and 914 dated 18.11.2002, I am to state that the following discrepancies were observed during examining the bills:

- a) The approved quantity for supply of sugar to the Great Andamanese as per the distribution chart is 13.50 KG but the bill was raised for 13 KG only;
- b) No dalda was supplied during the month, instead vegetable oil was provided in lieu of the same;
- c) Bill date is not mentioned;
- d) The bills were preferred belatedly to the Office.

You are therefore directed to re-submit the bills with necessary corrections and elucidated explanations on the above discrepancies observed by this Office.

Yours faithfully

  
Executive Secretary,
