Sir,

Please find herewith the required facts and figures as mentioned in the above referred letter.

This would be continued in future.
- c) Bill date for the Suppl.Baby Food was by a minor mistake not mentioned which is regretted. Now the date has been given in the said Bill.
- d) Self has received the Bill from the ANCOFED, Port Blair on 15/11/2002 only and on the basis of the same self has raised has the Bill on 18/11/2002. There was delay on my part.
