Sir,

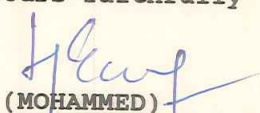

May kindly find enclosed the undermentioned bills raised by you for supply of free ration and other items to the Onges of Dugong Creek. While verifying the bills the following mistakes were found:-

- 1) Actual number of soap distributed are 125 nos. each but the same shown as 119;
- 2) Copy of indent from Medical Officer incharge regarding supply of stores to medical sub centre, not enclosed;
- 3) Approval of implements supplied to Onges not referred to in the bill.

You are therefore directed to re-submitted the bills with necessary corrections to this Office for payment.

Thanking you,

Yours faithfully
