

-16-

Since, we have unearthed an excess claim of Rs.30952.37, and since, AAJVS has not made the payment to the Society, it is proposed that we may return back the bills to the Society with a request to submit the same with necessary corrections. It is also proposed that the Society may call for a meeting to pass a resolution to settle the above excess supply on its own.

Submitted for approval please.

Executive Secretary
