Sub: Providing of two vehicles at Potatang
Camp for Health and Nutrition team - Reg.

Sr,

It is to inform you that the health and
nutrition team has shifted to Potatang camp
from Kadamtals and now facing problems
to do jirawa survey along ARN for
want of vehicles. The Health and Nutrition
team consisting of 19 members requires
atleast two vehicles. I had a talk
with ~~with~~ Mr. Swapan Roy, vehicle
Contractor at K/Tals for providing hire
vehicles to Potatang camp. He is
ready to provide two vehicles for
23/8/2002 to 28/8/2002 and by which
time the team can complete the
Survey of Jirwatung area jirawa.

As such it is requested that
a signal may be sent to T.W.O., K/Tals
and Swapan Roy to sent two vehicles
to Potatang by early morning first
forey from Kadamtals on 23/8/02

Yours faithfully,

Devi N
