

Sub:- Accounting for items procured in connection with study of Jarawas.

Number of items have been procured in the connection with the study of Jarawas in pursuance of Order of High Court of Calcutta. These items were issued to various individuals connected with the study of Jarawa.

It is necessary to make the list of non-consumable items issued to the respective individuals quickly and the same could be informed to them so that they will return these items as soon as the current phase (3rd phase) of survey among Jarawas concludes.

Following the completion of the survey as could be decided by the Expert Committee on Jarawa, the matter regarding the disposal of various items procured in connection with the study of Jarawas needs to be examined in the file. As such the matter should be put up accordingly at the relevant point time
