P.U.C. is the letter from Dr. R. Thulasidasan, CMO) & Dy. Director (TH), Coordinator, Health & Nutritional Team. He has informed that his team would require two commander jeeps to conduct the health and nutritional survey among the Jarawas at South Andaman. Island by establishing the camp at Potatang. He has further informed that the lowest tenderer Shri Swapan Roy who provided two commander jeeps to the Health & Nutritional Team in Middle Andaman for the survey among the Jarawas is willing to provide his jeeps to the team at Potatang also on same terms and conditions.

It may be mentioned here that a decision has been taken in the meeting of the Expert Committee at Raj Niwas on 17.7.2002 to provide all required logistic support to the research teams including health and nutritional group. Two vehicles one from AAJVS and other from Tribal Welfare Section were provided for the survey among the Jarawas from Potatang / Middle Strait. One of the Gypsy belonging to Tribal Welfare Section met with a road accident on 14.8.2002 and as such only one vehicle is available for the entire team at Middle Strait. This single Gypsy will not be able to meet the requirement of both the teams.

As such the lowest tenderer Shri Swapan Roy could be asked to provide the two jeeps to Health & Nutritional team camping at Potatang w.e.f. 23.8.2002. A signal could be sent to T.W.O., Kadamtala and also to Shri Swapan Kumar through T.W.O. for immediate action.

Draft signals are placed for perusal and approval.

22/8/02

Executive Secretary, AAJVS
