

(83)

During January, 1998 the total number of beneficiaries were 70 instead of 71 as one bridal lady Smti Oretai w/o Shri Ramu was at Port Blair and she did not draw the free ration. A comparative statement of total population and units of free ration and supplementary and baby food supplied to each member is placed at page 65/cor.

(84)

On verification of records available in the file (page 19-20/cor) 13 minor children are receiving baby and supplementary food according to which the population comes to 84

(85)

A signal has been sent to Social work with intimation to mo/c to intimate the actual population with details of adults, grown up children and minor children below the age of $2\frac{1}{2}$ years. Copy of the signal may please be seen at page 66/cor.
