41. PUC is a complaint at page 21-22 made by the medical officer, attached to ONGC settlement, Dugong creek regarding non-supply of Baby food at the settlement.
42. But on the contrary, it is observed that the Doctor himself had distributed the food to mages without any intimation and without the presence of the social worker.

43. It is understood that there exists a lack of co-operation between himself and our staff, therefore if approved we may issue a letter to
