

The normal helicopter fare from Port Blair (39)
to Hut Bay is Rs. 213/- per head. In the instant case
two persons are insisting to ~~xxx~~ go to Dugong Creek
by helicopter. Since Dugong Creek is not a scheduled
station there seems to be a claim for diversion of
the helicopter to Dugong Creek, the amount of which
is not known to this office. However, to divert the
helicopter to Dugong Creek, sanction of the Hon'ble
Lt. Governor is necessary.

Notes from 10 ante may kindly be (40)
seen.

Because of medical reasons on the (41)
part of Onges, diversion of helicopter
going to Hut Bay may be allowed via
Dugong Creek. The amount for the tickets
would be paid by the Director (Tribal
Welfare).
