

From pre-page

(43)

With ref to the observation of Secy(S&T) in para 42/n on pre-page, it is submitted that the revised schedule for helicopter service including D/Creek has already been drawn up and submitted for approval of LG. The fare for D/Creek and the places in between have also been fixed. The schedule ^{flight} will however ^{operate} be commenced as soon as the revised schedule is approved. The file may now be returned to Secy(TW) for information.
