My dear Mr. Menon,

Kindly recall our discussion on board m.v.Tarmugli regarding the referral of the dumb and deaf Onge child to Benglore for further care.

In this regard I am directed to request you to arrange to present the child to the E.N.T.Specialist,G.B.Pant Hospital,Port Blair for assessing the condition of the child and to decide the further course of action by this directorate.

An early action in this regard is very much solicited.

With kind regards,

Yours

Sincerely
