

Kumar Kochunegi, s/o of Bada Raju ~~xxxx~~ Onge child of Dugong Creek ~~xx~~ who was undergoing treatment in the G.B. Pant Hospital, expired today at about 6.50 a.m. The child was suffering from dysentery and dehydration.

The parents of the child now desires that the body of the child is to be taken to Dugong Creek immediately for further ~~axix~~ funeral rites as per their custom.

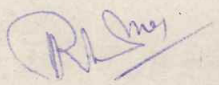

As there is no other immediate means of transport to Dugong Creek to reach today itself it is suggested that the HCI helicopter may be chartered for this purpose. Necessary approval may be accorded and the concerned authorities be intimated for necessary action.

The issue has already been discussed with L.G., C.S. and Secretary (TW).
