Dear Shri Kher,

I write this letter to request you to arrange to convene a meeting of the Director of Tribal Welfare, Executive Secretary AAJVS and other members if any, who are associated with implementation of Tribal Welfare activities to sort out and decide the following issues concerning the health component of tribal welfare:-

- a) Delay in making payment of salaries to the doctors posted to Dugong Creek, Shompen Complex. (Due to abnormal delay in making payment of salaries to the doctors concerned there is reluctance on the part of Doctors to serve in the above areas.
- b. Delay in settlement of transfer TA bills of Doctor and Compounder posted exclusively for Health care of tribals at Dugong Creek, Shompen Complex and Strait Island.
- c. A decision as to the charges for evacuation of primitive tribes by air to be borne by the AAJVS.
- d. It should be made incumbent on the AAJVS to maintain daily liaison with tribal patients admitted in the GB Pant Hospital.
- e. More supply of stationery and other items to doctors at Shompen Complex and Dugong Creek.
- f. Repair of accommodation at Shompen complex.
- g. Transport for doctor posted to Shompen Complex.
