

In this connection it may be added that great resentment prevails among the doctors and other para medical staff against posting at Dogong Creek/ Shompen Complex and Strait Island owing to non payment of personal claims like normal monthly salary, DA, TA etc. It may be recalled that in earlier days such claims were promptly settled by the AAJVS and there was no problem. However, of late it is noticed that such claims are not settled by AAJVS and as a result Officers and staff posted in those area face difficulties which in turn affect the morale of Doctors.

I shall be grateful if you would kindly convene a meeting to sort out the above difficulties so that a permanent arrangement could be decided upon.

With regards,

Yours sincerely,
