These tribes are in habit of using tobacco leaves, Pan and smoke. For purchase of such items and also to meet miscellaneous expenses, they are in need of some money.

(66)

The 7 childrens are not having proper dress / ~~clothes~~. pair of ready made froks / half shirt and pant are ~~to be~~ necessary. Three bed sheets are ~~also~~ required ^{for} these patients.

(67)

It is suggested that we may pay an amount @ Rs. 100/- to these 5 adults to meet their miscellaneous expenses and supply 1 pair of froks / shirt and half pant to the childrens. and one bed sheet each to the adults.
