In. PLANTATION 1/C SOUTH Bay

no. 1-4/P1/SB/88

14/11

= self with mo H/Bay and Lmo visited South Bay on
 12^m for examining the patients which reported by
 mo D/creek @ both mo examined the ~~s~~genges @ As
 for their examination nothing serious and no need for
 their evacuation to PHC H/Bay @ for information Pse
