Port Blair, the 24th June, 1988.

To

The Inspector General of Police,  
Andaman & Nicobar Islands,  
Port Blair.

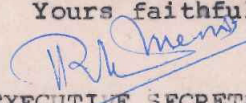

Sub:- Blood - donation.

Sir,

I am to state that one Andamane child named Kumari Toung, is suffering from anaemia is admitted in the G.B. Pant Hospital for treatment. It has now been advised by the Medical Officer that she require immediate blood transfusion. Her blood groups is "O"+. She was given blood at the first stage from Blood Bank of Hospital and it is believed she may require further stage of transfusion. The Medical Department has requested for blood of this group.

I am therefore to request you to kindly arrange, if possible a couple of bottle of blood of "O"+ from healthy jawans of your department who can voluntarily donate blood for this poor tribal child.

Yours faithfully,

  
EXECUTIVE SECRETARY,  
AAJVS.
