

56

further remedical action wherever required.

For Shompens of Great Nicobar Island, the team may consist of the Medical Officer posted for Shompen Complex, Medical Officer of the Civil Hospital, Campbell Bay and a doctor from Project Yatrik. For Onges the team may consist of Medical Officer at Dugong Creek, the Medical Officer of Civil Hospital, Hut Bay and another experts as may be nominated by you. For the Andamanese of Strait Island you may similarly nominate a team of medical experts.

I shall be grateful if you could kindly take immediate action on the subject matter under intimation to the Administration.

With high regards,

Yours sincerely,

sd/-
