Sir,

I am a participant of the Jarawa study team and am going for the third phase of study. I will be working in South Andaman in and around Tirur. Though A A J V S is going to make the arrangement to provide vehicles for the study team, I would like to keep my motor cycle (No. AN 01 - A1159) with me for convenience of work. The concerned police personnel may be informed about this. So that I can move with the vehicle in Jarawa Reserve area also during the period of study.

Yours faithfully,

(Samir Biswas)
