As mentioned above on receipt of information about absconding of the Jarawas from the hospital, I immediately took action by the deploying staff alongwith the jeep to locate the Jarawas. I thought it proper and useful to pass on the information about the incident to Director (TW) after Jarawas has been located, which I did when I got it confirmed from PHC, Kadamtala over phone at 2.45.p.m on 20.6.2001 that the Jarawa couple alongwith a male child reached Kadamtala and admitted to PHC, Kadamtala. In this connection please refer to report dated 20.6.2001 of Dr. Sirkar, Consultant, AAJVS endorsed vide my note dated 20.6.2001 at para 10/n.

With regard to streamlining functioning of AAJVS I am to request that regular Executive Secretary, AAJVS who is on leave, may be asked to take necessary action when he resumes duty on expiry of leave.
