viii. Jarawas while coming to the hospital have brought a long cylindrical item which they use as pillow in the hospital even.

Visit to the Special Ward of the Jarwas may give an impression that Jarawa patients are not treated in par with other people / patients. It is reported that the hospital sweepers try to avoid cleaning the Jarawa rooms particularly toilets. (A kind of racist attitude among the so called civilized people)

4. AAJVS could provide some remuneration to the sweepers as an incentives for cleaning the Jarawa rooms properly.

5. Submitted for perusal.

Sir,

It has been reported by M.O./c Special Ward that two Jarawa Children admitted have been advised blood transfusion by Pediatrician. In spite of repeated request, the AAJVS has so far not been able to arrange for blood donation. It may be appreciated that blood is product, which can be arranged only through Donor. It cannot be purchased in market like medicine.

The details of the patients are as follows-

- | | | | | |
|----|-----------|----------------|-------|-------------------|
| 1. | Inothytec | 5 yrs Female | D.O.A | 22.8.01 |
| | Diagnose | severe Anaemia | | Blood HB. 5.0 G % |
| 2. | Opean | 1 yr. Female | D.O.A | 22.8.01 |
| | Diagnose | Anaemia | | Blood HB 6.0 G % |

Hence it is requested that arrangement for blood donation may be arranged at the earliest in the interest of the patient.

Yours faithfully,

Medical Superintendent
