Sir,

I Dr P. S. Gopala Krishna working as M.O., PAC - Tushnabad has completed duty for a period of one month under your department. Along with my 'monthly report' regarding treatment activities, I would like to present the following requirements/difficulties, which will need your kind attention.

1. Basic medical equipment to treat Jarawa at habitat (stethoscope, B.P. apparatus, minor surgical instruments, Bag etc)
2. wooden partition / sign board mentioning "no entry" between Jarawa ward & rest of the PAC wards, to maintain clearcut barrier between Jarawa Patients & others.
3. Office material / Stationary to maintain proper records.
4. Non availability of vehicle to go to middle strait, and sometimes even for Tirur.
