

At present there are 12 Jarawa tribes consisting 7 patients and 5 attendants at G.B. Pant Hospital. They are from 19th onwards at Hospital. We have deputed 2 Group 'D' Staff on duty at Hospital as care taker of these Jarawas. They are expressing their difficulty to continue the 12 hours duty at Hospital. We need the service of a further hand to allot 8 hours duty. One Sri Raja, who has employed earlier on daily rated basis for such work is available nearby the Hospital. (154)

It is proposed that, if approved, we may engage him on daily rated basis till the discharge of the Jarawa patients and allot 8 hours duty to him at G.B. Pant Hospital. We may pay Rs. 70/- per day on actual working day against his engagement. (155)
